

# Exclusive Flights & Services

	<p><b>Exclusive Air Taxi &amp; Charter Flights</b></p>	<p>The time when <b>executive flights</b> were a <b>luxury</b> for few people has long gone. Today this is simply a necessity for many people. <b>Fly anywhere you wish at the time you desire.</b> We can offer you the most effective and customized solution. On your flights you will have the <b>highest security</b> combined with <b>maximum comfort, utmost flexibility and last but not least trustworthiness.</b> Exclusive Flights offers you a wide selection of aircrafts (jets, turboprops and helicopters) and is at your disposal to suit any kind of itinerary. Considering your requirements and budget, we will <b>define together the solution that better satisfies your needs.</b></p>
	<p><b>Aircraft Management</b></p>	<p><b>Quality and reliability</b> are very important in the field of private aviation to guarantee the maximum in terms of security and availability. <b>Exclusive Flights</b> can offer you the best solutions in order to develop a management programme specifically designed to satisfy your requirements with our <b>excellent and cost-effective assistance and support.</b> Technical supervision, flights scheduling and organization, administrative and financial management: we can take care of all the necessary operations that make you fly in total security and comfort with respect to your individual needs.</p>
	<p><b>Global Services</b></p>	<p>We are aware of the fact that <b>service begins much before take-off and continues after landing.</b> To satisfy your needs we have ready at hand a great selection of <b>complementary services.</b> Special catering if requested, helicopters, limousines or yachts: we have the capacity and the know-how to offer you <b>real customer-tailored</b> assistance according to your requirements. Thanks to our connections and professionalism we do our best to satisfy any requirement and can offer you <b>real VIP consideration.</b></p>
	<p><b>Aircraft sales</b></p>	<p><b>Selecting which aircraft would best meet your personal needs can be a difficult decision.</b> With our experience and know-how we are able to assess the right aircraft on the market. We can also assist you on all necessary steps in the administration/paperwork in view of your final choice. And finally we analyse the technical conditions, arrange for the registration and compare operation costs and performance criteria of the aircraft.</p> <p>With <b>Exclusive Flights</b> you have a qualified and professional partner who will assist you from the project start up to the performance of the first flight with your personal aircraft.</p>
